GALLERY TEACHERS

In partnership with Creighton University's College of Arts and Sciences, The Joslyn established a year-long, paid internship program for undergraduates and recent graduates who lead PK-12 school and higher ed group tours. Through training and practical experience, this cadre gains a strong foundation for future work in the arts, education, and the museum field.

TEACHER NIGHTS

Teachers from all disciplines, who work in Nebraska and western Iowa PK-12 school districts, are welcome to participate in this free program. Join in to connect with other teaching professionals—and yourself—over artful experiences at The Joslyn from 4:30 to 7:30 pm. Save the dates: November 21, January 30, March 27.
