## SCHOOL & TEACHER PROGRAMS

### 2025–2026

Our school and teacher programs are rooted in creativity, access, opportunity, wonder, and joy. With this foundation in mind, learners and educators are welcomed to experiences that provide inspirational, interactive, and inclusive connections where all feel they belong. We serve PK-12 schools, higher education, and homeschool families.

#### GROUP VISITS

Connect your learners to human creativity with a visit to The Joslyn. Guided tours may be scheduled for Tue, Thu, and Fri from 9 am to 1 pm during the school year, Sep 30–May 8. Optional studio experiences are available for elementary and middle school students. Self-guided visits take place during regular Museum hours. Go to our website for “before you book” information and to request a school group visit.

#### GALLERY TEACHERS

Students from Creighton University and the University of Nebraska Omaha participate in a year-long, paid internship program to lead all school group tours. Through this experience, Gallery Teachers gain a strong foundation for future work in the arts, education, and more.

#### LEARNING RESOURCES

The Joslyn provides digital resources to use in classrooms and during visits to the Museum. Discover gallery activities, lesson plans, teaching posters, and more to enrich your curriculum.

#### TEACHER NIGHTS

Teachers from all disciplines, who work in Nebraska and western Iowa PK-12 school districts, are invited to participate in this free program. Join in to connect with other teaching professionals—and yourself—over artful experiences at The Joslyn. Thu, 4:30–7:30 pm: Sep 18, Nov 20, Jan 29, Mar 26

#### HOMESCHOOL DAYS

Explore art as a family or microschool in this free drop-in program. Families will rotate through stations in the Museum to engage in gallery experiences, create art, and learn something new with a community partner. Thu, 10 am–noon: Oct 30, Dec 11, Feb 19, Apr 23

#### TEACHER INSERVICE
